Want to serve Highland with your writing and design talents?

This is a note from your friendly newsletter writer:

I am graduating in May and looking for someone to take over the position of composing the *College Family Times* each week.
If you are interested please contact me at (254)498-3710.
Or Email me at Mimi_Wiggins@baylor.edu.

Some people feel guilty about their anxieties and regard them as a defect of faith but they are afflictions, not sins. Like all afflictions, they are, if we can so take them, our share in the passion of Christ.

CBS —
This Wednesday
8:30 p.m.

Come early.
Invite a friend.
Take some notes.
Be there or be octagonal.

So what's the deal with the t-shirts on the wall and on the chairs?

We are praying this school year that 25 college students would put their faith in Jesus Christ and become new believers. The shirts remind us to pray and to ask our friends about their relationships with Christ. There's no quota.... Just a burden... and a hope.

Participate
Attend a small, medium, and large experience. The small is found in Community groups, the medium is with College Family Time and the Large is found at college Bible Study and Big Church on Sunday mornings.

Partner
Let's work together to reach your non-Christian friends. We can present the Truth of God in creative and relevant ways. You can build relationships with students and bring them to church.

Plant
Put down some roots at Highland. Attend a membership Q&A and join the family. Put yourself under spiritual leadership, and get involved in the lives of other students.

Pursue
Develop a close relationship with God by learning to abide in Christ as a balanced disciple. Take personal responsibility for your spiritual maturity.
