Wellington Christian School 2006-2007 Calendar

Our theme verse for the year, John 14:6, is one of the central scriptures which drives and shapes the mission of Wellington Christian School. This passage is one example of Jesus speaking metaphorically and inclusively about why He came to Earth—to show men and women the way to God the Father.

Just as education is a step-by-step process, so it is with the Christian experience. The simple faith of a child, teachers modeling Christ to students, and students catching a glimpse of God's handiwork through science are just a few examples of how God's truth comes alive in the classrooms at Wellington Christian School.

My prayer is that this year our parents, students and faculty would fully embrace the truth (Christ) and in so doing grow to better understand God's grace and mercy through a vibrant and captivating relationship with Jesus Christ. May God richly bless all our families.

Cordially Yours,
Joseph R. Austin
